

Auction Moderator

Requirements: excellent verbal skills, ability to ad-lib with auctioneer and audience

Job Description: Look at each quilt and add any details that would enhance the quilt during the auction (details that are not in the program.) These descriptions will be delivered verbally in front of an audience of 100-150 people. Work closely with the Auctioneer to keep the pace of the auction on track and visually assist Auctioneer with any bids in the audience.
