

Catering - Saturday / Sunday Housekeeping

Duties will include tidying up the dining area throughout the weekend, making sure trash is removed from the tables and tablecloths are kept crumb free. This job will require you to remove any soiled tablecloths Saturday night, washing them and returning them to the fairgrounds before the show reopens on Sunday. A small quilt group could easily accomplish this task.

In addition, all tablecloths and floor cloths must be washed at the conclusion of the quilt show and returned to the storage containers. Arrangements must be made for those containers to be returned to the storage locker. Reimbursements for cleaning supplies and money used at a laundromat will be given.
