

Wearable Arts Job Description

Announce to guild members early in the quilt show planning stages if a theme or challenge has been chosen for Wearable Arts entries. Remind members for entries throughout the year and work with the Layout Coordinators to determine where the location of Wearable Arts will be.

Prepare a poster/foam core board for the Quilt Show. Submit a completed equipment form for the Equipment Coordinator. Request any additional signage from the Signage Coordinator. Arrange entries at the show. Take photographs of the display for future reference to include in the Red Binder.
