

## 2022 PVQA AUCTION GUIDELINES

---

You must donate a quilt in order to enter a consignment quilt. This year, regardless of designation on the entry form, you will receive 75% for the quilt with the highest winning bid, as long as you enter a donation quilt. All quilts must be at least 1,300 square inches (minimum 36 x 36" for example).

1. **Small quilt groups or individuals:** Maximum two quilts, which can be one donation quilt plus one consignment quilt, or two donation quilts.
2. **An individual who is listed as a contributor to a small quilt group's donation quilt:** One donation or consignment quilt. If you are a contributor to multiple small quilt groups' donation quilts, you may enter up to two donation or consignment quilts.
3. **Outreach groups:** Maximum three quilts from each charity. Outreach groups are All Star Quilters for Kids, Apple Piecers, and Quilters for Hospice.

All quilts must have a maker's label but they do not need a sleeve. ***Deadline for entry is Friday, January 28***, or 42 entries total, whichever comes first. Email Diane Hoxeng at [liveauctionchair@pvqa.org](mailto:liveauctionchair@pvqa.org) if you have questions or to arrange pickup. You may also bring your quilt(s) to the auction table in the Harvest Building by 10 am on ***Friday, February 25***.

You will receive 75% for the quilt with the highest bid. Remember that the live auction is a major fund-raising event for the guild. Only clean, well-constructed quilts will be accepted.
